1. **Conditions of Participation.** Merchant if participating, shall be identified as a participating Merchant and in agreeing to the terms and conditions of this Agreement is entitled to the rights of participation as defined by this Agreement.
2. **Merchant Accounting.**
 - 2.1 **Merchant Account.** Merchant shall maintain a checking account at a financial institution of Merchant's choice for purposes of electronic settlement of Transactions ("Settlement Account"). This checking account must accept debit and credit ACH Transactions.
 - 2.2 **Merchant ACH Returns.** Any fees assessed by the Merchant's financial institution or by ACH Operator to FIS for activity related to processing redemption Transactions will become the responsibility of the merchant, via monthly invoice, and will be charged back to the Merchant.
 - 2.3 **Merchant IRS Fees.** Merchant shall be liable for any fees or costs assigned to FIS by the IRS or State Treasury departments for updates, corrections, and re-distributions of 1099K filings for Merchant. Merchant must promptly notify FIS in writing of any licensing or tax reporting changes for Merchant.
 - 2.4 **Credits to Account.** Merchant's Settlement Account shall be credited in an amount equal to the aggregate value of all on-line and all authorized offline transactions completed pursuant to this Agreement no later than, depending upon time of Merchant processing cutoff, either one (1) or two (2) bank business days following the day on which such transactions occur less monthly service and transaction fees, chargebacks and applicable State taxes or other required deductions. FIS shall guarantee settlement for all Transactions approved by FIS. Merchants shall have a cutoff time of 2:30 am Central Time ("CT") with the option to change. For cutoff times prior to 6:00 p.m. Central Time ("CT"), funds will be deposited to the Merchant's bank on the next bank business day following the day on which the

A "banking day" shall mean a day that is not a nationally recognized bank holiday and on which a branch of the Federal Reserve that is used for settlement is open for business. FIS reserves the right to discontinue authorizing Transactions if FIS fails to receive reimbursement of funds from the appropriate Issuing institution. In the event of such a discontinuance, FIS shall use reasonable commercial efforts to notify affected Merchants.

2.5.1 Merchant shall notify FIS of any Transaction that is erroneously or believed to be erroneously handled by the System within six (6) business days from the original Transaction date. Merchant shall supply FIS with any supporting documentation upon request. Failure to notify FIS within such six (6) business day period waives any right to an adjustment. In addition, FIS may initiate adjustments where a Recipient submits a substantiated claim within ninety (90) calendar days of the date of a Transaction or where other System errors have been identified. The out of balance discrepancies are between the Merchant and FIS and are not client or Merchant adjustments that must comply with the timeframes as specified in the federal regulations.

2.6 **Correction of Data.** In the event FIS' employees cause errors in Merchant's data to occur and Merchant requests correction of such data within six (6) business days from the date of the error, FIS will correct such data as necessary at FIS' expense. Merchant is required to provide all information requested with respect to alleged errors. The expense to FIS of correcting such data shall be the only obligation of FIS and shall constitute Merchant's sole and exclusive remedy with respect to such errors.

3. Term and Termination.

3.1 **Term.** The term of this Agreement shall begin as of the date hereof and shall continue until terminated in accordance with this Agreement or upon termination of the Contract, whichever is earlier.

3.2 Termination.

3.2.1 **By Merchant Without Cause.** Merchant may terminate this Agreement and return the Equipment, for any reason, upon at least sixty (60) days prior written notice to FIS. If notice is not given, then Merchant shall pay FIS, in addition to any other amounts owed, liquidated damages equal to the estimated monthly charge for service (as set forth in the Monthly Service and Fees Addendum), multiplied by two (2). Notwithstanding anything to the contrary in the Agreement, Merchant's monthly charges shall continue until all Equipment is returned to FIS.

3.2.2 **For Breach.** Either party may terminate this Agreement upon the material breach of this Agreement by the other party if the breaching party fails to cure

such breach within (30) calendar days after receipt of written notice specifying in detail the breach claimed, provided.

- 3.2.3 **By Request of Government Agency.** FIS may terminate this Agreement immediately upon the request of this State or U.S. Federal Agency having the authority to request such termination.
- 3.2.4 Upon any termination, hereof or any insolvency or bankruptcy of Merchant, all Equipment shall be immediately returned to FIS, at Merchant's expense, in good condition, normal wear and tear excepted. In any such event, FIS shall have the right to enter Merchant's premises and take possession of Equipment or charge Merchant for the cost of the Equipment.
4. **Charges to Cardholders.** Unless specifically allowed by law, Merchant shall not charge Recipients a fee for providing access to program funds. Merchant shall not require a balance inquiry as a condition to a purchase. A card must be present for all Transactions.
5. **NYCE Payment Network Operating Rules.** NYCE Payments Network, LLC ("NYCE") publishes card operating rules (the "NYCE Rules"). The NYCE Rules provide customary payment card network governance for participants in the NYCE network, including but not limited to card issuers, participating retailers and processors with respect to card and other NYCE network transactions. Current NYCE Rules are available upon request. Merchants will provide store location information as requested by FIS. Filtered Pay transactions shall be governed by the NYCE Rules. In the event a party is legally compelled to disclose the Confidential Information it will be entitled to do so provided it gives the other party prompt notice and assists the other party, at the other party's expense, in obtaining any protective order.

Except to the extent required by applicable law or applicable operating rules, FIS's liability to Merchant shall be limited in all cases and in the aggregate to direct damages not to exceed the fees paid by Merchant to FIS in the three (3) months preceding the event that is the basis of the claim. Merchant hereby agrees to indemnify and hold FIS harmless from and against any liability arising out of this Agreement and FIS' performance hereunder except with respect to Merchant's direct damages caused by fraud or gross negligence of FIS' employees.
